COVID-19 Update to Volunteer Services TEMPORARY CLOSURE

The Department of Justice and Attorney-General is committed to providing volunteer witnessing services to the community at dedicated signing sites.

As a precautionary measure, from Saturday 21 March 2020 services at these sites will be temporarily suspended until further notice.

If you urgently require a document to be witnessed, you can locate a witnessing officer by visiting www.qld.gov.au/findjp

We appreciate your understanding while these temporary measures are in place.
